

# SEGUNDO VIENTO

## Summer Itinerary

Time spent with Segundo Viento is quintessential luxury cruising. Appropriately, an advanced itinerary is counterintuitive. As such we ensure a successful Caribbean holiday with you, slightly differently, but first things first...

**Getting here:** *Step 1:* Take the decision to come! Second, [drop us a quick mail](#) and let Captain Lee know what is the single most important thing for you aboard Segundo Viento? Everything thereafter will fall into place, you will see!

For ease of information there are, of course, direct flights from Miami into St Vincent's Argyle Airport or into Grenada's Maurice Bishop Airport. If you're adventurous, why not charter a 'puddle jumper'? And fly directly to any of the outlying islands like Bequia, Mustique, Union... Both yacht and Captain will be there waiting for you.

# SUMMER

July to October

The map of St Vincent and the Grenadines sees us visit some of the Carib's most fabled islands in the 'Summer'. They are all on the 'itinerary' so to speak and all worthy of as much exploration as possible. But this is Segundo Viento, this is not a 'turn and burn' and we have all the resources, the skills and toys at hand to adjust to the whims of the islands, their tides and waters and, of course, you may wake up and just feel like doing something else...

To help identify our next location we categorise days for you in lieu of a fixed schedule. Simply let us know the type of day you feel like having and we'll set us on course.

## Active Days

Horse riding, windsurfing, kayaking, golf, island exploring and even good surf. It's all here...

Change of plan? Just feel like 'escaping' today? Then let's head to Chatham or Petit Tabac!

Old town cocktail bars, winding colonial stone roads and shopping, beach vendors with BBQ Lobster, restaurants as old as the institutions they are named for.

## Ocean Bliss Days

*Let's get sailing. Let's recharge ourselves and seek anew our best life... This is Second Wind. This is Segundo Viento.*
